ONE DAY CLASS

Funky Simple Tops

With Louise Snook

Skill level: No prior knowledge necessary. All welcome. If you can operate a sewing machine that would be advantageous!

This is a project driven class, participants will go home with a unique top that fits their body measurements. We will spend the morning drafting a very simple top pattern without any complicated calculation!

Learn easy ways to alter, embellish and stylise your new garment. Participants will then construct the top in fabric, taking home a finished item. Combine this with the simple skirt class and have a complete outfit! This is Fashion Design 101! Take the headaches out of pattern making, keep it simple - with a pleat, button, trim or tweak, this top will have everyone asking where you bought it!

Tutor will provide the following materials:

Butchers paper and interfacing.

Plus there will be a selection of embellishments available – an assortment of items, colours limited for purchase on the day.

Students are to bring:

- Fabric, enough to generously wrap around your torso plus and extra 0.5 metre. Think about the colours you wear, no stretchy fabrics. Prewashed fabric please!
- Matching coloured thread for the sewing machine
- Basic sewing supplies: pencil, ruler, soft measuring tape, fabric scissors, straight pins,
- Embellishments - trims, alternative fabrics to appliqué, for pockets, ruffles, piping, beading, buttons
- Needles and thread for hand sewing
- Materials fee: \$5 in cash in an envelope with your name and class name on the front. Pay direct to tutor at the start of the class. Plus some cash for extra embellishments you may wish to purchase from the tutor.

Suggested for your comfort:

- Cushion in case your chair doesn't suit your height.
- Bring a non-spill water bottle.
- Label your possessions with your name.
