ONE DAY CLASS

Rose Lariat

With Kirry Toose

Skill level: Beginner/Intermediate. Basic machine knowledge required.

This elegant neckpiece will be the envy of all your friends. Develop your machine skills by creating painterly effects with the use of thread. Add further dimension with unique, hand made Art Deco Roses. Play with the layering of traditional rouleaux, intertwined with leaves, thorns and roses. These concepts can also be interpreted and developed further into other textile designs by the student at home, eg. belts, bags and soft furnishings.

Tutor will provide a kit containing:

- Comprehensive class notes
- Fabric (pre-cut to save time)
- Interfaced and cut bias strips
- 25cm square Vilene 541 (or similar water soluble fabric)
- Shades of green organza
- Rose coloured organza
- Piping cord

Students are to bring:

- Embroidery hoop - plastic “spring clip” style or a narrow wooden hoop, screw adjustment type, approx 20cm in diameter
- Pins, needles, small embroidery scissors
- Note: please wear either glasses or safety glasses
- 2B pencil
- Piece of polystyrene (lid of a box is most suitable approx 30cm square)

Threads:

- Machine embroidery: three or more shades of green, plus black or dark brown
- Polyester (normal) mid-green tone
- Kit fee: \$15 in cash in an envelope with your name and class name on the front. Pay direct to tutor at the start of the class.

Note: Sewing machines and accessories will be provided by our sponsoring machine companies.

However if you wish to bring your own it must be cleaned and oiled and you will also need to bring all equipment, accessories and spare bobbins. Free machining/open toe foot is essential.

If you are unfamiliar with these items, ask at your local sewing centre.

Suggested for your comfort:

- Cushion in case your chair doesn't suit your height.
- Bring a non-spill water bottle.
- Label your possessions with your name.
