ONE DAY CLASS

Funky Simple Skirts

With Louise Snook

Skill level: No prior knowledge necessary. All welcome. If you can operate a sewing machine that would be advantageous!

This is a project driven class, participants will go home with a unique skirt that fits their body measurements. We will spend the morning drafting a very simple skirt pattern without any complicated calculation! Learn easy ways to alter, embellish and stylise your new garment. Participants will then construct the skirt in fabric, taking home a finished item. This is Fashion Design 101! Take the headaches out of pattern making, keep it simple then alter or embellish your skirts for every occasion.

Tutor will provide the following materials:

Butchers paper and interfacing.

Plus there will be a selection of embellishments available – an assortment of items, colours limited for purchase on the day.

Students are to bring:

- Fabric, enough to generously wrap around your waist plus 0.5 metre extra. Think about the colours you wear, no stretchy fabrics. Prewashed!
- Matching thread for the sewing machine
- Pencil, ruler, soft measuring tape, fabric scissors, straight pins
- One zipper 10 to 15cm long in matching colour to fabric
- Embellishments - trims, alternative fabrics to appliqué, for pockets, ruffles, piping, beading, buttons
- Needles and thread for hand sewing
- Materials fee: \$5 in cash in an envelope with your name and class name on the front. Pay direct to tutor at the start of the class.
- Plus some extra cash for any embellishments you may wish to purchase from the tutor.

Suggested for your comfort:

- Cushion in case your chair doesn't suit your height.
- Bring a non-spill water bottle.
- Label your possessions with your name.
