Möbius Knitting

With Jude Skeers

Skill level: Intermediate

Try mobius knitting – it's quite magical! Invisible cast-on and knit in one piece with no seams but create versatile and flexible garments which will stretch in all directions – you have to try this!

Students will learn the skills and techniques involved in knitting a Möbius Strip and a Möbius Wrap. They will learn how to:

- Cast on a Möbius.
- Design a Möbius Wrap of a variety of sizes and lengths
- Develop an understanding of the principles involved in Möbius Wrap knitting
- Cast off using loose cast off techniques

Students will complete a sampler that incorporates all the principles of Möbius Wrap knitting, and they will commence a full sized Möbius to be completed later.

Visit the website for more pictures of these versatile fashion garments www.black.com.au

Tutor will provide a sampler kit containing:

Yarn: One 50gm ball of 8ply yarn

Möbius patterns

- A tapestry needle for sewing in yarn
- If you have a set of interchangeable knitting needles, they would be beneficial
- Kit fee: \$25 in cash in an envelope with your name and class name on the front. Pay direct to tutor at the start of the class
